Re: SCBCA Winter Clinic (January 19-21)

The SCBCA is looking forward to an exciting 2023 Baseball season. To begin our season, we will be holding our 30th Annual SCBCA Winter Clinic January 19-21, 2023 at the Kingston Plantation in Myrtle Beach.

In 2022, we had a large turnout of approximately 235 coaches in attendance including college, high school, and recreation coaches. This clinic continues to grow in attendance due to the accelerated interest in baseball in South Carolina. Our speakers at this clinic are selected from high school and college coaches from around the state.

We are extending an invitation to you and your company to be part of our clinic this year. The cost for a vendor table is \$125. We are also asking that each participating exhibitor provide a door prize.

You will find a registration form enclosed with this letter or you can retrieve a form from our website www.scbca.net by clicking on "Winter Clinic Information" and then "Clinic Registration Forms".

Mail your completed registration form along with your check to:
